AGREEMENT OF PATIENT FINANCIAL RESPONSIBILITY

Thank you for choosing us as your Hearing and Vestibular care provider. We are committed to providing quality care and service to all of our patients. The following is a statement of our financial policy which we require you to read and agree to prior to your medical care.

- Payment of your bill is considered part of your medical care. We require all patients to provide current credit card information for us to keep on file to charge for co-payments, deductibles, and balances not covered by insurance.
- It is your responsibility to know your insurance benefits including whether we are a contracted provider with your insurance company, what your covered benefits are and any exclusions in your policy, and any pre-authorization requirements of your insurance company.
- It is your responsibility to provide current and accurate insurance information at the time of your appointment. Failure to do so will result in you being financially responsible for all costs associated with your medical care.
- If we are contracted with your insurance company, we will bill them first minus any co-pays, deductibles and/or non-covered services that are due. Once insurance has settled, you will be billed for the patient responsibility portion of medical care.
- If we are not contracted with your insurance company, payment in full will be expected at the end of your visit.
- Proof of payment and photo ID are required for all patients. We will ask to make a copy of your ID and insurance card for our records. Providing a copy of your insurance card does not confirm that your coverage is effective or that services rendered will be covered by your insurance.

I, _____, authorize Associated Audiologists to charge my credit card for any outstanding balance that is due after applicable insurance reimbursements have been applied for services received at our practice.

Outstanding Balance: Once your insurance provider has completed processing of your claim(s), we will email you a notification indicating any remaining balance due. Payment is due in our office within 48 hours from the date of the email. If payment is not received, or if other arrangements have not been made during that 48 hour period, the entire outstanding balance will be charged to your credit card. Please contact us immediately at 913-384-2105 should you have questions or concerns.

Any credits remaining on your account after your insurance claim has been adjusted will be returned to the credit card on file.

I have read, and understood, the financial policies listed above. My signature below serves as acknowledgement of a clear understanding of my financial responsibility. I understand that, if my insurance company denies coverage and/or payments for services rendered to me, I assume financial responsibility and will pay all charges in full.

New Patient Instructions and Information

Patient Instructions

You will be instructed to refrain from taking *certain* medications 48 hours prior to your appointment. These medications may influence or interfere with your test results, thus resulting in inaccurate or misleading information. If you have any concern with the discontinuation of any of the medications listed below, please consult with your prescribing physician.

Alcohol: Beer, wine, cough medicine.

Analgesics/Narcotics: Codeine, Demerol, Phenaphen, Tylenol w/ Codeine (Tylenol-3), Percocet, Darvocet.

Anti-Vertigo Medications: Antivert, Ru-Vert, meclizine.

Anti-Nausea Medications: Atarax, Dramamine, Compazine, Antivert, Bucladin, Phenergan, Thorazine, scopolamine transdermal.

YOU MAY TAKE BLOOD PRESSURE, HEART, AND THYROID MEDICATIONS, TYLENOL, INSULIN, ESTROGEN, ETC. ALWAYS CONSULT YOUR PHYSICIAN BEFORE DISCONTINUING ANY PRESCRIBED MEDICATION.

Please eat lightly for 12 hours prior to your appointment. If your appointment is in the morning, you may have a light breakfast (such as juice and toast). If your appointment is in the afternoon, eat a light breakfast and have a light snack for lunch.

PLEASE DO NOT WEAR MAKEUP (MASCARA, FOUNDATION, ETC.)

Testing may cause a very slight sensation of motion, which lingers after your evaluation. If possible, we encourage you to have someone accompany you to and from the appointment. If this is not possible, please schedule an additional 15 to 30 minutes after your test, so you may wait for the sensation to clear before leaving our office.

04-2017

Patient Information

A comprehensive battery of tests will be performed during your evaluation. Prior to each test, a detailed explanation will be given to you, so you gain a better understanding of what we are measuring and what to expect.

Evaluating and Treating Equilibrium Disorders:

Problems with the equilibrium system can result in dizziness, vertigo, and imbalance. The equilibrium system is very complex and cannot be directly observed. To truly understand a patient's equilibrium, a number of sophisticated tests must be performed, correlated, and compared.

-Evaluation-

Balance disorders are often accompanied by changes in hearing and/or ear function. These changes can be acute and hardly noticeable by the patient. Your testing will include comprehensive testing of your outer, middle, and inner ears. These tests include: *audiologic, immittance, and otoacoustic emission* tests.

There are a number of complex pathways that control our equilibrium. Your evaluation will include sophisticated measures of these pathways and your central nervous system. These tests are: *Vestibular Evoked Myogenic Potential, Auditory Brainstem Response, Rotary Chair, Dynamic Visual Acuity, Electro-oculography, Sensory Organization Performance, Vestibular Head Impulse Testing, and Video/Electro-nystagmography*

-Treatment-

There are several well-researched, successful, and widely used treatments and management strategies for problems of the equilibrium system. These treatments address issues such as vertigo, dizziness, lightheadedness, and balance problems. All forms of treatment should be preceded by a comprehensive evaluation and diagnosis. This ensures that the specific treatment chosen is appropriate for the given diagnosis.

CREDIT CARD ON FILE FAQs

Why do I need to leave a credit card on file? While most of our patients pay their balances in a timely manner, this is not always the case. Neglected balances for services already rendered affect the cost of health care for everyone. This system will streamline billing processes and help keep costs low.

How does having a credit card on file work? At the time of check-in, your credit card will be electronically stored in encrypted form. After your claim has settled, we will email you a notice indicating your total balance due. Payment is expected in our office within 48 hours of the notification. If payment is not received, your card will be charged for any remaining balance that is your responsibility.

Is my credit card information secure? Yes. Credit card numbers are encrypted and stored by Heartland Merchant Processing. No credit card numbers are stored in our practice.

What charges will my card be used for? Your card will only be charged for your patient responsibility once your insurance claim has been settled.

What if my card is declined or expired? If we attempt to use your card and it is declined or has expired, we will contact you for updated information. We reserve the right to charge a \$25 administrative fee for any cards that are declined.

What is a deductible and how does it affect me? A deductible is the total dollar amount you must pay during the year for medical expenses before your insurance coverage begins to pay. For example, if your insurance plan has a \$500 deductible, you will pay the first \$500 of any medical expenses incurred during that year before insurance begins to pay.

What if I don't have a credit card? You may leave a Health Savings Account (H.S.A.) or Flexible Spending card on file with us. You may pay your charges, in full, with cash or check at the time of service. Or, you may speak with us regarding making monthly payments.

How will I know when my deductible has been met? Call your insurance company before your visit to determine how much of your deductible has been met for the year. Or, you may also be able to view your insurance information via the insurance company's website.

What if I have a dispute with my bill? Please contact us immediately at 913-384-2105 so we can promptly address your concerns.
